Welcome to the Hatfield East Campus for Crossway 2011. The table is set for a real family feast! Let's *celebrate together!* *Jesus is alive!*

We are honoured to have Dr RT Kendall with us again, and trust that his well-seasoned wit and wisdom will encourage you to walk in the way of the Cross.

I encourage you to experience **all** this weekend has to offer and pray that you will have a personal encounter with the resurrected Christ!

Francois van Niekerk
Senior Pastor
Hatfield Christian Church

Dr Robert Tillman Kendall is a Christian writer, teacher and sought after conference speaker. He was born on 13 July 1935 in the USA, but ministered for over 20 years at Westminster Chapel in London. This prolific author of more than 50 books, including the best-seller *Total Forgiveness*, has a great gift of helping people understand that the Bible is relevant today. Now retired, Dr RT and his wife, Louise, live on Hickory Lake in Hendersonville, Tennessee. The couple married in 1958 and have a son, Robert Tillman II, and a daughter, Melissa Louise. As president of RT Kendall Ministries and as part of the *Word, Spirit and Power Team* (a non-denominational charismatic ministry) he has an extensive itinerant teaching ministry.

'I am the living One. I died, but look – I am alive forever and ever! And I hold the keys of death and the grave.'

– Revelation 1:18 (NLT)

CONSTRUCTION

You can be a Kingdom builder!

Isn't it wonderful that our children have the opportunity to celebrate Easter with the family of Christ? We have designed an exciting programme for the kids at Crossway, during which we will minister to your child through worship, discipleship and play. We trust that it will positively affect your child in every area!

To ensure that your children, and our volunteer team, can get the utmost enjoyment out of the weekend, please take note of the following:

Registration

important!

Please register your child half an hour before each session at the Young People's Facility. This will allow each child the full benefit of our programme without unnecessary interruptions. Unfortunately no children will be registered once a session has commenced.

Collection of children

even more important!

It is vital that children be collected directly after each session. Please understand that our volunteer team cannot be expected to function as a child-minding service. Your co-operation in this regard will be much appreciated.

Thank you for trusting us with your child.
